Elevation Press is proud to announce the publication of a new book by a resident of Paonia, Colorado: Ronna Helene Webb. It's a composite of original stories, myths, and prose that demonstrate the awesomeness of connecting with the Universe. Ms. Webb has degrees in education and social psychology. She's also a certified Reiki Master and a certified End-of-Life Specialist. Her work is known for its universal appeal--there's something wonderful for everyone. Elevation Press Works with New Authors

The above cover image is from a recent book formatted by Elevation Press. This month, our independent press is working with six new authors to produce a non-fiction book about democracy, a book of poetry, and no less than four children's books. We're excited to tackle these new projects and we'd love to hear from anyone who wishes to see their work in print.
